

How to help your child with Magnificent Multiplication

Magnificent Multiplication is the next stage in ensuring helping the children at Newtown to internalise the important number facts that will form the basis of all the future maths that they do in their school career and beyond. It is a way of gauging their instant recall of the number facts and building on that knowledge week on week. Success in Magnificent Multiplication is a **tool only** and in the daily maths lessons we will continue to work on children's understanding of the number system and using their instant recall of times tables to help them solve maths problems quickly and accurately.

Children will only start Magnificent Multiplication when they are ready and have finished Brilliant Bonds, so it is probable that most children will not be ready during their time at Newtown.

The children who are taking part in Magnificent Multiplication will sit down and have three minutes to complete the questions in the level that they are on. In order to progress up to the next level they must get **ALL** the answers correct. The children will receive a certificate for every level that they complete which will be given out. Any child who completes all the levels will go into the Magnificent Multiplication Hall of Fame!

Level 1	2 times table	10 questions
Level 2	2 & 10 times tables	15 questions
Level 3	2, 5 & 10 times tables	20 questions
Level 4	2, 3, 5 & 10 times tables	25 questions
Level 5	2,3,4,5 & 10 times tables	25 questions
Level 6	2,3,4,5,6 & 10 times tables	30 questions
Level 7	2,3,4,5,6,7 & 10 times tables	30 questions
Level 8	2,3,4,5,6,7,8 & 10 times tables	30 questions
Level 9	2,3,4,5,6,7,8, 9 & 10 times tables	40 questions
Level 10	2,3,4,5,6,7,8,9,10 & 11 times tables	50 questions
Level 11	2,3,4,5,6,7,8,9,10,11 & 12 times tables	75 questions
Level 12	2,3,4,5,6,7,8,9,10,11 & 12 times tables	100 questions
Level 13	2- 12 multiplication & division	40 questions
Level 14	2 - 12 multiplication & division	60 questions
Level 15	2 - 12 multiplication, division, squaring & square roots	40 questions
Level 16	2 - 12 multiplication, division, squaring & square roots	45 questions
Level 17	2 - 12 multiplication, division, squaring & square roots	50 questions
Level 18	2 - 13 multiplication, division, squaring & square roots	60 questions
Level 19	2 - 14 multiplication, division, squaring & square roots	70 questions
Level 20	2 - 15 multiplication, division, squaring & square roots	80 questions
