

## How to help your child with Tricky Words

These are all words which cannot be easily sounded out but will appear in books and be needed in children writing regularly. Please help them learn what the words look like, think about the shape and take a 'photo' to store it in their memory. When you come across one in their reading books prompt with 'that is a tricky word, do you remember it?', if they don't please tell them as they will not be able to sound it out.
